Otherwise the hotel bears responsibility only in the amount which is specified by § 1 Government Regulation No. 87/1995 Coll., which implements certain provisions of the Civil Code as amended by Government Regulation No. 586/2008 Coll. and Regulation No. 281/2010 Coll., i.e. in the maximum amount of EUR 331.94.

- Clients can use their accommodation units only during the period arranged with the cottage settlement, i.e. from 4:00pm to 10:00am. Clients are entitled to use their accommodation units until 10:00am on the last day of stay. If failing to do so, the cottage settlement is entitled to charge the following fees: check-out until 12:00am - €20 (A and B type cottages) and €40 (C type) per cottage, check-out until 02:00 p.m. - €30 (A and B) and €60 (C type) per cottage. They are obliged to close all water taps, turn off the lights inside the bungalow/suite, close the windows, turn off all electrical appliances, lock the door and leave the bungalow/suite key at the reception. There is a €70 penalty fee for losing the bungalow/suite key and a penalty fee in case there is any damage to the property/items inside the accommodation unit caused by the client.

- We suggest not leaving children under 12 years unattended in the bungalow/suite and in other common areas of the cottage settlement due to safety reasons.
- Dogs and other pets cannot stay at the cottage settlement due to hygiene and safety reasons. There is a €60 fine/night for violation of this rule.

The deposit or its aliquot part shall be paid back to the respective client when they check out and return their chips at the reception.
- With or without notifying the client(s) in advance, the management is entitled to allow certain members of the staff, i.e. maintenance men, chamber maids and/or receptionists to enter the accommodation unit(s) for the purpose of repairs, refurbishing and/or in other cases when proper functioning of the facility needs to be secured, and/or damage to the accommodation provider or clients needs to be prevented. When entering the facility, the employees wear name badges.
- Towels are changed (plus toilet paper and bin-liners are replenished) after the third night spent at the settlement. The personnel leave them on a bench in the entrance hall, based on the number of used towels. The bed sheets are changed after the fifth night. - All bungalows/suites are non-smoking. A €100 fine is charged for violation of this rule and shall be deducted from the deposit of the respective client.
- Clients are obliged to leave their bungalow/suite in its original condition. If violating this rule, the respective client will not be allowed to check out if they do not tidy up their bungalow/suite. In such case, the settlement management reserves the right to **charge the clients for additional accommodation hours in accordance with the current price list.**
- Tatralandia water park **tickets** – only water park tickets included in hotel packages or purchased separately at the reception are accepted. Discounts cannot be combined. Tickets purchased via GOPASS can be used only at the main water park ticket offices and only once. Children under 5.99 years (including) have free

entry. The reception gives chips only to clients who stay at the settlement and are registered properly in the hotel information system. The chips can be used to pay for services. They apply to specific names of clients and their hotel bills, which is why it is important to take them everywhere or not to exchange them with anybody else. Every client is obliged to check their bill when paying with the chip. If making a complaint, this must be done without undue delay. If a chip gets lost, every client is obliged to report it immediately so that the chip can be blocked as soon as possible. In such case, there is a EUR 10 surcharge for the chip + used services.

- **Ski passes** – ski passes can be purchased at the reception. Ski passes are activated via Gopass cards, i.e. they cannot be purchased without having a Gopass card. Every ski pass is issued for a specified date. Multiple-day ski passes must be used on the respective consecutive days and the period cannot be interrupted. Ski passes are non-transferable and issued with the names of the respective holders. They can be used only by their owners. The use of ski passes is governed by specific GTC which are published on the website of the operator of the respective ski resort.
- Surcharges for accommodation or other services used in the water park or in restaurants can be paid in cash or by credit card at the reception when checking out. Every client is obliged to check their bill. If making a claim, this must be done without undue delay.
