HOTEL DESCRIPTION:

The name “Srdiečko” (heart) comes from a hunter’s cabin where a heart was carved above the door. The cabin was located about 200 metres above the original 2-seater chairlift.

The present-day hotel was built in 1958, after an unbelievable period of 8 years. Actually, it was finished after the original 2-seater chairlift started to operate to Mt Chopok (1954 - late 1990 s).

The hotel was partly renewed between May and November 2013, the lobby bar and the wellness centre were fully refurbished. All hotel rooms were fully renewed between May and October 2019.

LOCATION:

The Srdiečko hotel has a unique ski-in/ski-out location at the foot of the southern side of Mt Chopok, at the end of a road, with ski pistes literally on the doorstep.

It is located in the ski and tourist resort of Jasná – Chopok Juh, at the altitude of 1,213 metres. In summer, Srdiečko is a popular starting point of various tourist trails that run to the peaks of the Low Tatras and attractions of the Horehronie region. The hotel is only a 1-hour drive from Poprad airport, a 4-hour drive from Krakow airport and a 3-hour drive from the airport of the capital city, Bratislava.
