1.3 By using the booking Services provided hereunder, the Customer agrees to be bound by these GTC. In the event of any conflict or inconsistency between these GTC and the GOPASS Programme General Terms and Conditions, the provisions of these GTC shall prevail.

2. Booking

2.1 Online Booking

2.1.1 When making an online booking, the Customer may search for free rooms in any Hotels managed by TMR according to its requirements entered in the *online* booking system (e.g. name of the Hotel, check-in date, check-out date, room type, number of rooms, children’s age if applicable, and the like) available on the websites listed in Section 1.2 and 1.3 hereof at the prices listed directly in the *online* booking system of the relevant website after entering customer’s requirements therein.

2.1.2 When *making an online booking*, after the selection of the basic customer’s requirements (name of the Hotel, check-in date, check-out date, room type, number of rooms, number of persons, children’s age if applicable, additional services, and the like), the Customer will fill in all the information required in the form.

2.1.3 The Customer - if member of the GOPASS Programme and holder of the GOPASS Card - may enter their GOPASS Card in the online booking system. In this case, the system will recognise the remaining GOPASS Credit of the Customer and if the number of loyalty points is sufficient as specified by the operator, the Customer will be notified by the system of any discounts they may use to reduce the price of the Services provided hereunder by spending some or all of their GOPASS points. GOPASS points can be used to get a

discount only when booking online and paying online in advance (card payment, Internet banking (Trustpay), Tatrapay). Besides the above mentioned option, every Customer who is a member of the GOPASS programme can log in to their GOPASS account and use special offers and discounts offered by the operator to GOPASS programme members. Special offers and discounts that are meant only for GOPASS programme members can be used only if booking online and paying online in advance.

2.1.4 When booking *online*, the Customer will make an online payment for the booking of Services (card payment, internet banking (Trustpay), Tatrapay). TMR reserves the right to extend or limit individual online payment methods for *online* booking with regard to certain dates or Hotels. The Customer is notified directly on the website of any online payment methods available after completing the form but before making the payment and confirming the reservation.

2.1.5 After filling in all the data required in the form and after making an *online* payment (card payment, internet banking (Trustpay), Tatrapay), the Customer will receive a *Booking Confirmation* email, including the Booking ID, sent to the Customer's email address entered in the booking form. In addition to the Booking ID, the *Booking Confirmation* includes general information about the stay and persons, the list of Services booked and paid, information about the Hotel and its facilities, links to applicable documents, such as these GTC and cancellation terms, and other supplementary information (check-in and check-out times, pets, additional services available, and the like).

2.1.6 The Booking ID is used to confirm the booking and to make any other booking-related actions, including the confirmation of the booking on arrival at the reception. The Customer is required to keep the Booking ID safely and have it available during the stay.

2.2 GOPASS Programme Online Booking

2.2.1 To use the GOPASS Programme online booking, the Customer shall first apply for the GOPASS Programme on the website www.gopass.sk.

2.2.2 When booking online through the GOPASS Programme, the Customer may search for free rooms in any Hotels managed by TMR according to their requirements entered in the GOPASS Programme *online* booking system (e.g. name of the Hotel, check-in date, check-out date, room type, number of rooms, children's age if applicable, and the like) available on the website www.gopass.sk at the prices listed directly in the *online* booking system of the website www.gopass.sk after entering customer's requirements therein.

2.2.3 The Customer - if member of the GOPASS Programme and holder of the GOPASS Card - may enter their GOPASS Card in the online booking system. In this case, the system will recognise the remaining GOPASS Credit of the Customer, and the Customer will be notified by the system of any discounts they may use to reduce the price of the Services provided hereunder by spending some or all of their GOPASS Credits, if applicable. Notwithstanding whether or not the booking is later cancelled or confirmed, GOPASS Credits are never returned to the Customer once applied.

2.2.4 When booking online through the GOPASS Programme, the Customer shall pay the price for the Services booked online by the credit / debit card.

2.2.5 After a successful payment by credit / debit card, the Customer will immediately receive a Booking Confirmation, indicating the Booking ID, to the email address registered in the GOPASS Programme. In addition to the Booking ID, the *Booking Confirmation* includes general information about the stay and persons, the list of Services booked and paid, information about the Hotel and its facilities, links to applicable documents, such as these GTC and cancellation terms, and other supplementary information (check-in and check-out times, additional services available, and the like).

2.2.6 The Booking ID is used to confirm the booking and to make any other booking-related actions, including the confirmation of the booking on arrival at the reception.

2.3 Offline Booking

2.3.1 Email Offline Booking

2.3.1.1 When booking offline, the Customer may contact TMR to request price and Service related information by sending an email to the address listed on the TMR website or Hotel's website.

2.3.1.2 The Customer is required to specify Service general requirements (name of the Hotel, number of guests, children's age if applicable, room type, check-in and check-out date, Customer's name, and other requirements). Afterwards, TMR will contact the Customer to specify certain requirements or submit additional information, if applicable, or - if the Quote Request contains all the information required - TMR will send the quote to the Customer calculated according to the Customer's requirements provided in the email request. The quote may be sent to the Customer to any other email address as requested by the Customer in the mail request. For the avoidance of doubt, if the Customer does not provide a different email address, the reply will always be sent back to the sender's email address. The booking made under the provisions above is a non-binding booking request (see Section 2.4 hereof.)

2.3.1.3 The quote offered by TMR is effective for 24 hours and is non-binding, i.e. not interpreted or construed as a right of the Customer to the Services booked hereunder (rooms are not reserved until a successful payment is made) and price.

2.3.1.4 If the Customer chooses from the quotes sent by the Operator, they shall confirm the quote within 24 hours by sending a confirmation email to TMR, indicating any and all specific information and requirements applicable thereto (name of the Hotel, check-in date, check-out date, number of persons, children's age if applicable, board arrangements, and the like). If the Customer sends a confirmation of the quote, but the Services booked offline becomes unavailable (i.e. no free rooms), or the price is no longer applicable, TMR will send a new quote to the Customer, and if the Customer no longer wishes to complete the booking procedure, the communication between the Customer and TMR is ended and no party is entitled to any financial or non-financial compensation or damages of any kind. If the Customer already made a payment for the Services booked offline, TMR will refund the payment to the Customer within 14 days from the termination of the quote by a bank wire transfer to the sender's bank account. If the Customer agrees with the new TMR quote or if no change occurs from the initial Quote Request, TMR will send the Pre-Booking Instruction document to the Customer by email, containing the Service information, Customer's name, Booking ID, check-in date, check-out date, name of the Hotel, room type, number of guests, children's age if applicable, price, all additional services included therein, payment terms, cancellation terms, and the like.

2.3.1.5 The *Pre-Booking Instruction* also serves for the Customer to pay by the Services booked hereunder and includes the due date, variable symbol and payment method. **The Operator cannot recognise a payment with an incorrect variable symbol (Booking ID)**, in which case the payment is rendered invalid. Services booked hereunder shall be due within **3 business days** from the date the *Pre-Booking Instruction* is received by the Customer. **The Operator reserves the right to change the due date mentioned above.** If the payment is overdue partially or in its entirety (full payment is not made before the due date with the correct variable symbol), the booking is cancelled, and the Customer will receive a notice of booking cancellation without any right to any financial or non-financial compensation or claim thereof.

2.3.1.6 After a successful payment, the Customer will receive the *Booking Confirmation* document sent to their email address, indicating the Booking ID. In addition to the Booking ID, the *Booking Confirmation* includes general information about the stay and persons, the list of Services booked and paid, information about the Hotel and its facilities, links to applicable documents, such as these GTC and cancellation terms, and other supplementary information (check-in and check-out times, pets policy, additional services available, and the like). The Booking ID is used to confirm the booking and to make any other booking-related actions, including the confirmation of the booking on arrival at the reception. The Customer is required to keep the Booking ID safely and have it available during the stay.

2.3.1.7 The Customer will receive a Booking Confirmation to the email address given when making the offline booking immediately after the payment of the Booking Fee has been credited to the TMR bank account.

2.3.2 Phone Offline Booking

2.3.2.1 When booking by phone, the Customer may contact TMR (the 'Quote Request') on phone numbers published on the TMR website and/or Hotels' websites within the business hours specified therein to get a quote from TMR.

2.3.2.2 The phone conversation is recorded for monitoring and quality purposes.

2.3.2.3 Sections 2.3.1.2 to 2.3.1.7 hereof apply mutatis mutandis to offline phone booking.

2.3.2.4 If the Customer does not provide an email address, TMR will agree with the Customer on the method of further communication and documentation provision.

2.4 Common Provisions

2.4.1 By submitting a booking request, the Customer represents and warrants that they are adult (at least 18 years of age) with a capacity to perform legal actions and to acquire rights and liabilities hereunder.

2.4.2 The contractual relationship between TMR and the Customer is created by delivering the Booking Confirmation document to the Customer by TMR.

2.4.3 Until the moment of the delivery of the Booking Confirmation to the Customer by TMR, the booking is non-binding to either party (Customer / TMR), and the Customer has no right to claim the Services (e.g. room type, number of persons, number of rooms, etc.) or to the price given in the quote, i.e. the booking is non-binding. The booking becomes binding only after a successful payment of the Booking Fee to the TMR bank account pursuant to Section 2.4.5 hereof and after the receipt of the Booking Confirmation document.

2.4.4 An email message is deemed to have been delivered at 9:00am a day after it has been sent if the sending party receives no notice of the failure of the receiving party to receive the message. If the Customer does not receive the Booking Confirmation email within 5 business days from the date of a successful payment of the Booking Fee, the Customer is recommended to contact the Booking Department by phone or email.

2.4.5 The Booking Fee is paid successfully on the date when the full amount (as invoiced) is credited to the TMR bank account.

2.4.6 When booking offline 7 days or less before the check-in date, the booking can only be made if the Hotel has sufficient operational and room capacities, in which case the Operator reserves the right to shorten the due dates of the Booking Fee payment, of which the Customer will be duly notified in advance in the Pre-Booking Instruction document.

2.4.7 The Customer shall indicate the exact number of guests and the age of any children under 18 years of age, if applicable. The age of the children on the check-in date is considered for the purposes above. If the Customer does not plan to stay at the Hotel by themselves, they shall provide a full name, email address, and phone number of another adult who will stay at the Hotel.

2.4.8 TMR will provide the Customer with the type of room that is listed in the Booking Confirmation document. TMR reserves the right to provide the Customer with a room of the same or similar standard as the room type indicated in the Booking Confirmation if required by the operational and room capacities, in which case the Customer will not be charged extra under any circumstances.

2.4.9 In the case of a Customer's request for a specific hotel room (e.g. room number, view, floor, geographic orientation, and the like) of the same standard as listed in the Booking Confirmation, TMR may at its sole discretion accept any such request if possible due to operational and room capacities and solely after additional payment of the Specific Room Booking Fee in the amount of 50% of the usual Booking Fee for the given room per night. A specific room will not be granted if this payment or request is not made by the Customer. The Customer in this case has no right to financial or non-financial compensation or damages of any kind.

2.4.10 TMR actions are based on ethical principles and respect the privacy of the Customer. TMR booking systems use the state-of-the-art data encryption systems that provide full security of the data provided by the Customer.

3. Payment Terms - General

3.1 The Booking Fee shall be paid in its entirety (100%) when making a booking.

3.2 The Customer may choose the method of payment based on whether the booking was made *online*, *offline*, or through the GOPASS Programme). The Operator reserves the right to extend or limit individual online

payment methods for *online* or *offline* booking with regard to specific dates or Hotels. The Customer may learn about various *payment methods* on the website where he books *online* (websites of the operator, website of the GOPASS Programme) after completing all required details but before paying for the booked services and confirming the reservation with obligation to pay. In the case of *offline* booking, the Customer is notified of different payment methods by email or phone accordingly. Reservations made *offline* can be paid by using bank transfer or a payment getaway unless otherwise specified by the Operator. The Customer is obliged to respect the payment method specified by the Operator.

3.3 Bank charges applicable to the payment of the Booking Fee shall be borne by the Customer in their entirety.

3.4 TMR reserves the right to restrict or disallow offline payments (wire transfer to the TMR bank account) or in any cases specified by TMR and communicated by TMR with the Customer in advance before the confirmation of the booking (e.g. in the case of Promotional Dates or discounts available through the GOPASS Programme, last minute deals, promotional codes, etc).

3.5 The Booking Fee includes the value added tax pursuant to the applicable legislation. However, the Booking Fee does not include a city tax, which is to be paid directly at the Hotel, in line with the law applicable at the check-in date.

3.6 Every Customer is given a room bill which serves as a legal document for tax purposes at the reception when checking out. If the Customer books *online* and requests the bill in the form of an invoice issued for a legal entity or a natural person (entrepreneur), they shall notify the Operator of this request in advance before paying for the booked services. **i.e. before paying for the reservation by using a payment card (if paying by card) or before entering the standing order (if paying by bank transfer).** When booking *online*, the Customer shall add the request to the 'Notes' section in the *online* booking system, along with all legal entity's invoice details as required (i.e. business name, company address, Company ID, Tax ID, VAT ID, Commercial Registry details, bank details, if applicable) or natural person's invoice details (business name, place of business, Company ID, Tax ID, VAT ID, Trade Registry or other registry details, bank details, if applicable). **When booking *online*, invoice details cannot be changed once the Customer completes the payment by card or enters the standing order for bank transfer payment!** When booking *offline*, the Customer shall submit the request by email or phone accordingly and specify the invoice details. **When booking *offline*, invoice details cannot be changed once the Customer pays for the booked services.**

4. Booking Changes, No-Show Policy, Cancellation Terms, Early Check-out

4.1 Booking Changes

4.1.1 Any and all changes in the Services booked hereunder (change in dates, children's age, number of persons, additional services - reduction or extension, and the like) made after the booking are subject to TMR operational and room capacities. The Customer has no right to make any changes after the booking was confirmed.

4.1.2 Any requests for changes made to the booking after it was confirmed shall include the Booking ID as given in the Booking Confirmation. The Customer may request any changes to the Services booked hereunder by contacting the Booking Department by phone or email and submitting contact information as stated in the Booking Confirmation. The Customer shall always provide the Booking ID when making changes to the Services booked hereunder.

4.1.3 If it is not possible to satisfy a Customer's change request due to operational and room capacities, TMR shall have no duty to satisfy the Customer's change request by other means, shall have the right to reject the Customer's change request, in which case the Customer shall have no right to seek financial or non-financial compensation of damages of any kind from TMR.

4.1.4 TMR reserves the right to assess each and every Customer's booking date change requests individually, only under conditions specified by the Operator that the respective Customer who asks for the date change of booked services shall be informed about and before the date change of booked services based on the Customer's request is confirmed. If the date of a confirmed reservation (booked services) is changed, terms specified by the Operator (mainly Cancellation Terms) that the Customer has to be informed about by the

Operator before the date change of booked services is confirmed shall be considered decisive and given priority to these Terms and Conditions. Changes in booking dates can only be requested during the period when TMR is entitled to seek cancellation fees pursuant to these GTC if possible due to operational and room capacities. In this case, the Booking Confirmation is cancelled, and the Customer's payment of the previous Services booked hereunder shall be construed as the payment (partially or in its entirety) of the new booking. If the Booking Fee will increase as the result of the above change to the booking date, the Customer will have the duty to pay the difference between the new Booking Fee and the original Booking Fee that the Customer paid for the original booking date to the TMR bank account via the payment method as given in the original Booking Confirmation. After the payment of this amount, if applicable, the Customer will be sent a new Booking Confirmation, which entitles the Customer to the Services booked hereunder. If the new Booking Fee is the same or lower than the original Booking Fee, the Customer will have no duty to pay the additional fee, and the original payment is deemed to be successful regarding the new booking. **The booking date cannot be changed after the period stated in the first sentence of these GTC.**

4.1.5 The Operator reserves the right to assess each and every Customer's request for change of the number of beds, rooms, or persons (guests) or change of the persons (guests) individually and only under conditions specified by the Operator that the respective Customer who asks for the date change of booked services shall be informed about and before the date change of booked services based on the Customer's request is confirmed. If the date of a confirmed reservation (booked services) is changed, terms specified by the Operator that the Customer has to be informed about before the date change of booked services is confirmed shall be considered decisive and given priority to these Terms and Conditions. Confirmed reservations can be changed one day before the check-in date at the latest and only if this is possible with regard to the operational circumstances of the Hotel and the room availability. The Customer shall have no legal right thereto. If the Booking Fee increases based on the change to the booking as specified above in accordance with this GTC item, the Customer will be obliged to pay the difference between the new price of services and the original price of services to the Operator by using the payment method as specified in the document sent to the Customer via email to the email address that was used for booking originally. Only once the additional payment is completed, the Customer will be sent a new *Booking Confirmation* with entered changes as requested. The new *Booking Confirmation* entitles the Customer to use the Services booked hereunder. If the change of the booked services does not result in increasing the price of services that has already been paid by the Customer, the price that has already been paid by the Customer is considered to be equal to the price of new, i.e. changed services.

4.1.6 TMR reserves the right to assess each and every Customer's booking change requests individually due to Customer's serious personal reasons (e.g. injury, severe illness, death, etc), whereby for the purposes above, the Customer shall present and submit any and all evidence proving the existence thereof (e.g. hospital papers, medical reports, death certificate, etc). In this case, the Customer shall have no legal right to claim financial or non-financial compensation or damages of any kind.

4.2 No-Show Policy, Partial Service

4.2.1 If the Services are not used partially or in their entirety by the Customer due to the Customer's reasons or simply by not-showing, the Customer shall **have no right** to claim financial or non-financial compensation or damages of any kind.

4.2.2 If the Services are not used partially or in their entirety by the Customer due to the Customer's reasons or simply by not-showing (early check-out, later check-in), the Customer shall **have no right** to claim financial or non-financial compensation or damages of any kind.

4.2.3 TMR reserves the right to assess each and every Customer's claim for compensation for not showing up or for not using the Services partially or in their entirety individually due to Customer's serious personal reasons (e.g. injury, severe illness, death, etc), whereby for the purposes above, the Customer shall present and submit any and all evidence proving the existence thereof (e.g. hospital papers, medical reports, death certificate, etc). The Customer has no legal right to compensation or refund of any kind in these cases.

4.3 Booking Cancellation Terms

4.3.1 From the moment of execution, the Customer is not entitled to withdraw from the Hotel Accommodation Agreement made remotely pursuant to Section 7 (6) k) of Act 102/2014 Coll., Distance / Remote Agreement or Off-Site Agreement Consumer Protection, as amended.

4.3.2 TMR allows the Customer to cancel the booking (from the date of execution thereof pursuant to Section 2.4.2 of these GTC) with or without notice by serving a letter of termination either in writing to the TMR address shown in Section 1.1 of these GTC or electronically to the email address listed in the Booking Confirmation, indicating the Booking ID in any case.
